Dear Joseph:

Thank you very much for the wonderful luncheon you and your staff prepared and served for the Catholic Center Volunteer Recognition Party at St. Clement of Rome Parish Hall on March 6th.

The food was wonderful, the serving tables were very attractively arranged, and the service impeccable. Your staff set up very discreetly during the first half of our program and were ready right on time. There were many compliments on the food and service in general.

Thanks again for helping make our luncheon a success.

Sincerely,

*Mary Cragan, Ph.D.
