Dear Mr. Pipola and Staff:

I would like to thank you on behalf of the Arizona Association of University Women, Northwest Branch for the wonderful brunch that you catered for us in September in Sun City West.

The food was delicious, there was a nice variety, it was presented very well and your staff did a beautiful job of setting it up and serving it. I heard many wonderful comments about the brunch and it is not always easy to please one hundred women.

We look forward to seeing you again in December.

Sincerely,

*Betty Eldridge*
