Dear Joe & Millie,

I am writing to you today to commend you on your outstanding catering job for our New Year's Eve event. The feedback we received was very positive from our residents. The menu choices, the servers and overall wherewithal of your entire staff made the evening most enjoyable for all!

Your company's attention to detail coupled with the quality of your cuisine is something to be very proud of.

We, at Sun City Grand enjoy working with you and can always count on impeccable customer service; this is very reassuring especially, in my line of business.

Sincerely,
